**CLASS ACTION**

**SUPPLEMENTAL DECLARATION OF**

**ALLAN H. ("BUD") SELIG**

1 I, Allan H. ("Bud") Selig, declare as follows:

2 1. I served as the Commissioner of Baseball from July 9, 1998 until January 25, 2015. I  
3 make this supplemental declaration in support of Defendants' Motion for Partial Summary  
4 Judgment. I have personal knowledge of the following facts, and if called as a witness, I could  
5 and would competently testify to them.

6 2. During my tenure as Commissioner, I was employed by the Office of the Commissioner  
7 of Baseball, not by any of the Clubs. Since 2008, I have not held an ownership interest in the  
8 Commissioner's Office or any Club.

9 3. As Commissioner, I played no role in setting the specific hours or scheduling for any  
10 minor league player, nor did I interact with minor league players on a daily (or even less  
11 frequent) basis.

12 4. As Commissioner, I never contributed monetarily to the wages of any minor league  
13 players, nor did I record the hours of work, payroll processing, or issuance of their wages. I also  
14 did not personally maintain any employment records for any minor league player.

15 5. As Commissioner, I was not involved in negotiating individual minor league players'  
16 compensation, or the decision to pay minor league players a salary, as opposed to paying them  
17 hourly. I understand that minor league players were paid by their respective Clubs, who are  
18 responsible for issuing wage statements, and neither I nor the Commissioner's Office was  
19 involved in processing minor league players' paychecks.

20 6. As Commissioner, I never provided minor league players with any tools, equipment, or  
21 uniforms, and since 2008, I had no ownership interest in any of the facilities where minor league  
22 players played or practiced.

23 7. As Commissioner, I did not exercise any direct authority with respect to decisions as to  
24 which minor league players Clubs selected in the amateur draft, signed to a contract, and/or were  
25 released from their contracts by the Clubs. I did not have the power to hire or fire any minor  
26 league player, other than for certain rule violations.

1 8. As Commissioner, I was not involved in any decisions regarding the termination of any  
2 minor league player.

3  
4 I declare under penalty of perjury that the foregoing is true and correct. Executed this 28<sup>th</sup> day of  
5 October, 2021.
